JAMES F. KENNEY  
MAYOR

Dear Tsahai,

I am writing to thank you for your tireless efforts to ensure a complete and accurate count in Philadelphia for the 2020 Census. It was your dedication and passion that allowed us to engage authentically and intentionally with Philadelphians from all walks of life in every neighborhood.

You and all of our incredible community partners who worked with Philly Counts – to participate in focus groups, attend meetings and planning events, and utilize our promotional toolkits – helped raise awareness about and increase participation in the 2020 Census.

Whether you contributed by making phone calls, volunteering with Philly Counts, attending or hosting a census training or event, or helped us spread the word on social media, you made a difference. I want to thank you on behalf of our city for all of the hard work you have done.

The times we are living in bring new challenges every day that require innovative solutions and your civic action around the census, and the many other ways you support your community, will be the way we get through these challenges together.

There is no doubt that your combined efforts to inspire participation in the 2020 Census had a powerful impact that will benefit our community for the next ten years and we should all be very proud of that. I look forward to continuing to work with you to best support, uplift, inspire, and empower our communities.

In service,

A handwritten signature in cursive script that reads "James F. Kenney".
